Benefits to choosing eDOC's recommended Canon Check Scanners...

- Optimal performance with CheckLogic software suite.
  - Firmware updates standard (no extra modules needed).
  - eDOC dedicated Item Processing support available at: 800.425.7766 option 6.
  - Fine Text Filtering removes patterned backgrounds and enhances edges around text, for sharper images and improved OCR accuracy.
  - IQA Software to meet Check 21 standards.
  - MICR read complemented with OCR processing (MOCR) for increased accuracy.
  - Meets ENERGY STAR guidelines.
- and much more!
